

BE COUNTED!

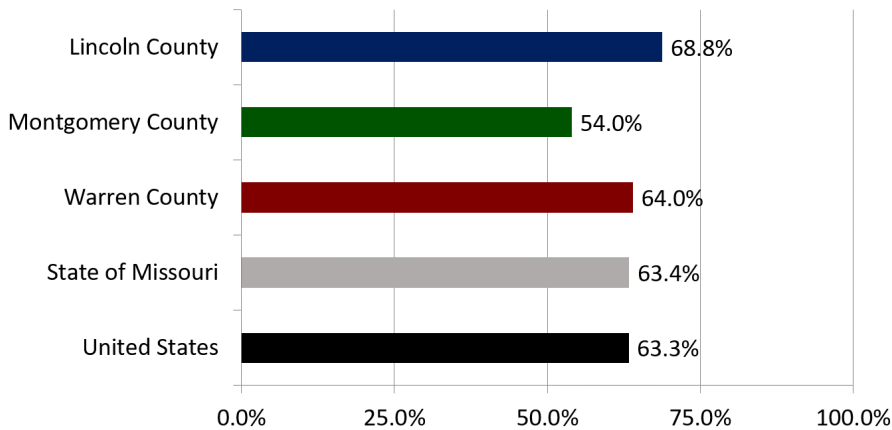

YOUR COMMUNITY DEPENDS ON IT

WHY?

It is important to respond to the
2020 United States Census

- The Census is used for the allocation of billions of dollars in federal funding which supports schools and educational programs, hospitals and healthcare, infrastructure developments (including roads and bridges), emergency and disaster response, and other important services in your community.
- Census data determine how many representatives each state is apportioned in Congress; and the various election boundaries and districts at state and local government levels.
